

NEENAH PAPER

ENVIRONMENTAL CERTIFICATIONS:

FSC Certified

- + Ensures that the paper meets the Forest Stewardship Council's standards for responsible forest management.
- + Our five most popular Writing brands are Watermarked with the certification seal and Chain of Custody number.
- + In addition, these papers are certified by SmartWood, a program of Rainforest Alliance.

Available in:

Four finishes of the CLASSIC® Brands, in two matching colors: Recycled Bright White and Recycled Natural White.

Also available in six colors in ENVIRONMENT® Papers: PC 100 White, PC 100 Natural, Ultra Bright White, White (White available in smooth and laid finishes), Mesa White and Tortilla.

Green Seal Certified

- + Signifies that all of our recycled papers are made with a minimum of 30% post consumer fiber and that the mill processes, including packaging, are environmentally preferable.

Chlorine Free Certified

- + First premium paper mill certified by the Chlorine Free Products Association that our 100% post consumer recycled papers are Processed Chlorine Free (PCF).
- + This certification insures the delivery of premium papers that are manufactured free of chlorine chemistry and from sustainable raw materials.

Available in:

Recycled Bright White and Recycled Natural White, in the four major CLASSIC Brands, as well as ENVIRONMENT® Papers in PC 100 White and PC 100 Natural.

Green-e Certified

- + Green-e identifies products made with certified renewable energy, including but not limited to wind power, solar power, low impact hydropower, and biomass.

Available in:

All ENVIRONMENT® Papers and the EAMES™ Paper Collection (Painting and Furniture).
